

SUPPORT TESTIMONY - NOER - Shelbie Swartz - AB108

My name is Shelbie Swartz and I am the Executive Director of Battle Born Progress to strongly support Assembly Bill 108. Outdoor education is more than just play—it builds confidence, resilience, and a deep appreciation for nature. Our children need more opportunities to learn and grow outside in a world where screens dominate.

This bill invests in their well-being, giving them hands-on experiences that shape their future. Let's give our kids the chance to explore, learn, and thrive. I urge you to support this bill.

Thank you.
