

Dear Members of the Senate Committee on Judiciary,

I am writing on behalf of Native Voters Alliance Nevada in support of Senate Bill 201.

My home is more than just a place to live—it's an extension of my family, our values, and our beliefs. The symbols we choose to display—whether for faith, culture, or protection—are deeply personal.

No one should have to fight an HOA or a landlord just to express their faith. SB 201 ensures that our homes reflect who we are, not just what an HOA or lease agreement allows.

This is about fairness, dignity, and the fundamental right to religious expression in our own homes. I urge you to pass SB 201 and protect Nevadans from unnecessary and discriminatory restrictions.

A hui hou,

/s/ **Mathilda Guerrero Miller, MPPA**
