

A physical therapist in a light blue polo shirt is assisting an elderly man in a yellow polo shirt. The man is holding a yellow resistance band with both hands, stretching it horizontally. The therapist is standing behind him, with his hands on the man's back, providing support and guidance. The background shows a clinical setting with a clock on the wall and a white shelving unit with blue folders.

Physical Therapy Licensure Compact

Assembly Bill 248

THE BILL

AB248 ratifies the Physical Therapy Licensure Compact **allowing licensed physical therapists (PT) & physical therapist assistants (PTA) from member states to practice in other member states.**

THE BOARD

- **Nevada Physical Therapy Board strongly supports AB248** to expand access-to-care and addressing workforce shortages.
- **State Compact fees** approved Nov. 2023 are \$75 for PTs & \$50 for PTAs.
- Active military, veterans, and spouses are eligible for a **state fee waiver**.

THE SECTIONS

Sec. 1: **Compact purpose**

Sec. 2: **Defining terms**

Sec. 3: **State participation**

Sec. 4: **License eligibility**

Sec. 5: **Regarding military**

Sec. 6: **Adverse actions**

Sec. 7: **Commission**

Sec. 8: **Data systems**

Sec. 9: **Rulemaking**

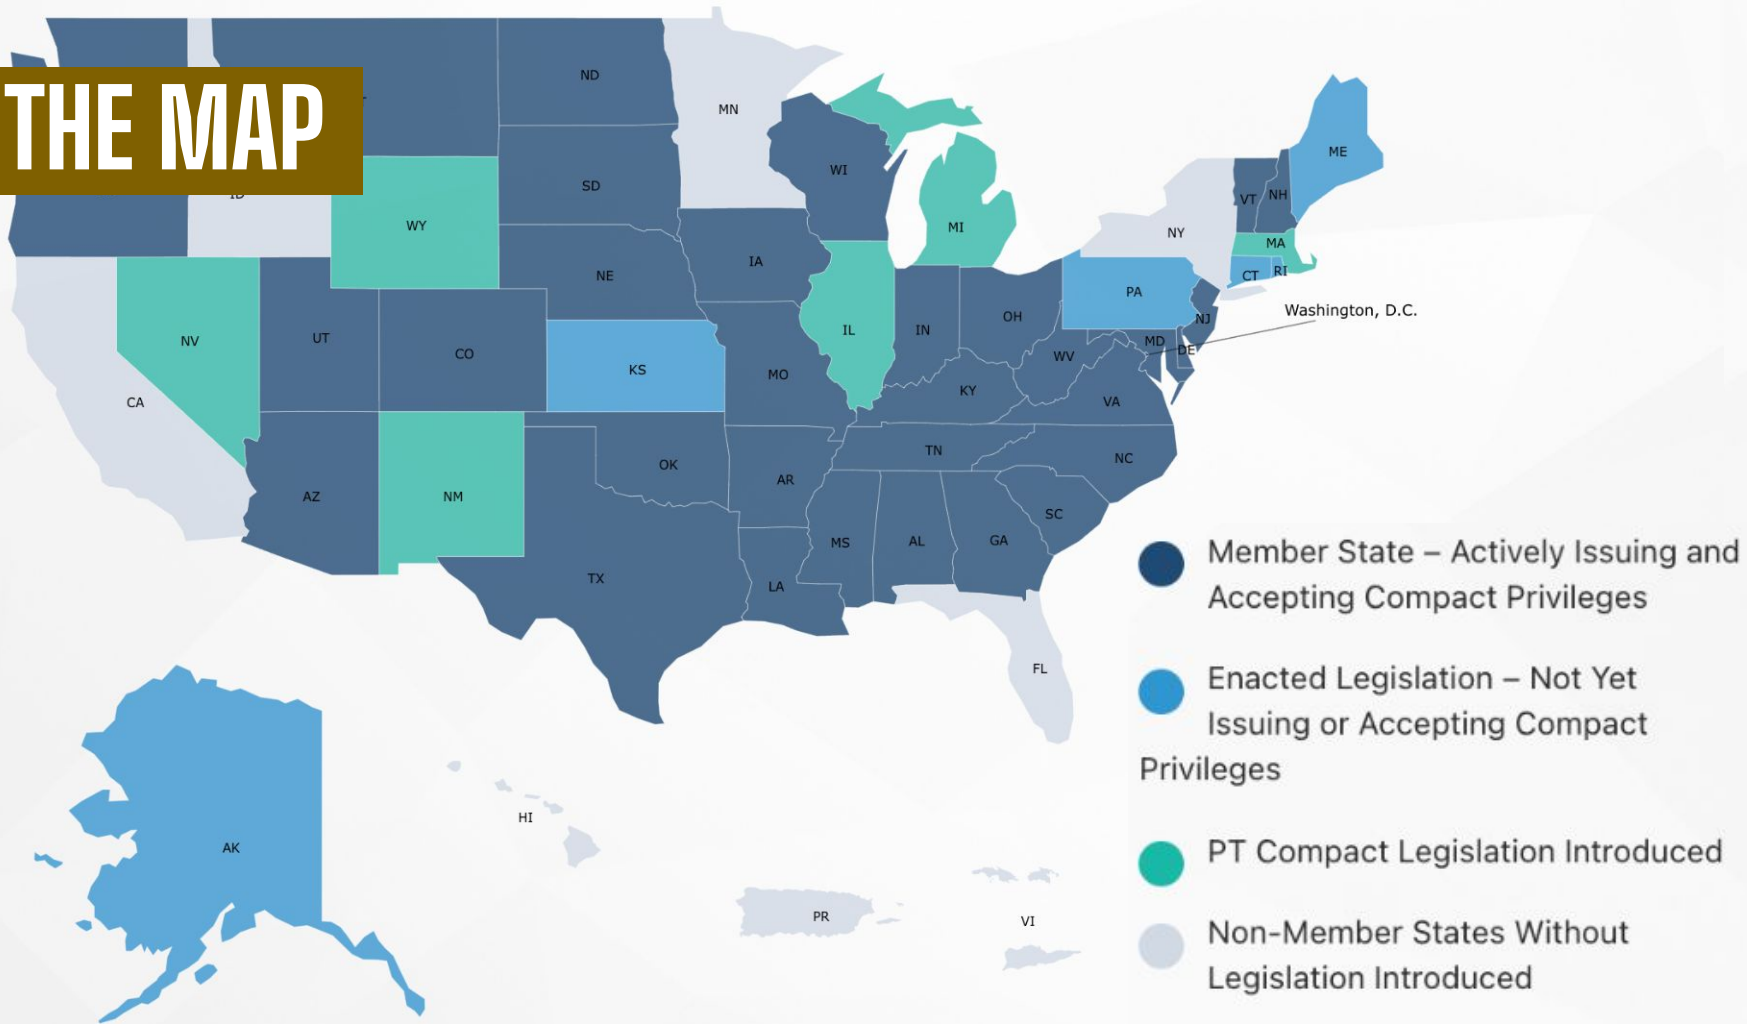

Sec. 10: **Oversight**

Sec. 11: **Implementation**

Sec. 12: **Severability**

The PT Compact enhances interstate mobility for PTS & PTAS while preserving the regulatory authority of states to protect public health & safety.

THE MAP

A physical therapist, a young man with a beard wearing a light blue polo shirt, is assisting an elderly man with a grey beard wearing a yellow t-shirt. The therapist is standing behind the elderly man, holding a yellow resistance band that is looped around his back and shoulders. The elderly man is pulling the band forward with both hands, extending his arms. The background shows a clinical or office setting with a clock on the wall and a white shelving unit with books and plants.
