A.B. 369

Summary - Revises provisions governing certain orders for protection against domestic violence. (BDR 3-824)

From my own experience dealing with Domestic Violence,
I was attacked emotionally, mentally, and physically.

Multiple times I was set up to be harmed by men who were paid to have a relationship with myself, while knowing my abusers had legal protection.

My intuition is what has saved my life.

Protection Against Domestic Violence Shall Be For All Nevada Citizens.

Thank you,
