Re: Testimony in Support for Assembly Bill 83

Dear Chair Considine and Members of the Committee:

I am writing on behalf of Native Voters Alliance Nevada in strong support of AB83. I am a proud Kānaka Maoli and Filipina, and from a young age, I was taught a fundamental truth: we take care of each other. We look out for our families, our neighbors, and our communities—because when one of us rises, we all rise.

Larry Itliong embodied that. He didn't just fight for himself; he fought for every worker who was underpaid, overworked, and denied the dignity they deserved. He understood that justice isn't justice unless everyone is taken care of.

When the Filipino farmworkers led the Delano Grape Strike, they didn't stand alone. They stood in solidarity with others—because that is what we do. We show up. We fight for each other. We take care of one another.

Establishing Larry Itliong Day isn't just about honoring the past—it's about reaffirming those values today. It's about ensuring that future generations know that our people have always been here, always fought, and have always believed in standing together.

We urge this committee to pass AB83 and recognize the legacy of Larry Itliong—a man who lived by the values that define us as Filipinos.

A hui hou,
