Re: Testimony in Support for Assembly Bill 148

Dear Chair Mosca and Members of the Committee:

I am writing on behalf of Native Voters Alliance Nevada in support of AB148.

Elections are the foundation of our democracy, but sometimes, voters are left scrambling for accurate information about candidates, ballot measures, and election procedures—only to find it too late. When voters don't have the resources they need ahead of time, it leads to confusion, frustration, and unnecessary barriers to participation.

Voting should be clear and accessible, not rushed and uncertain. Every voter deserves the time and tools to prepare before their ballot arrives, so they can make informed choices. When voters have clarity, turnout increases, trust in the process strengthens, and democracy works better for everyone.

We urge your support.

A hui hou,
