

To: Senate Committee on Revenue and Economic Development
Subject: AB441 Imposes complicated regulations
Position: OPPOSE

Dear Committee,

AB441 will change the administrative methods of the Nevada Educational Choice Scholarship Program. This bill will pose additional paperwork burdens on organizations distributing scholarships, and unnecessarily tighten scholarship distribution timelines from 5 years to 18 months. These changes may discourage organizations from participating in this program. Please vote NO on this bill.

Thank you,

Cynthia Perine

Reno, NV
