Assembly Committee on Legislative Operations & Elections

401 S. Carson Street Room 4100

Carson City, NV 89701

Subject: Support for Senate Bill 74 (SB74)

Good afternoon Chair Mosca and Members of the Committee:

For the record, my name is Ryan Vortisch—that's spelled R-Y-A-N, last name V-O-R-T-I-S-C-H, and I am the Northern Nevada Democracy Coordinator of Silver State Voices. On behalf of my organization and the Let Nevadans Vote coalition, we are in strong support of SB74.

We appreciate the Secretary of State's office for their continued efforts in improving efficiency, accessibility, transparency, and security in Nevada's elections. From ensuring all votes are counted, to covering costs for clerk's election procedure trainings, to implementing crucial security protocols—such as the cyber-incident response plan, this bill is a great example of the office's commitment to all Nevada voters. Additionally, we appreciate the proposed additions to the bill in the provided conceptual amendment.

For these reasons, we urge your support on SB74. Thank you.
