Subject: Support for Governor Lombardo's Education Accountability Act – AB584

Dear Members of the Assembly Ways and Means Committee,

I am writing in strong support of Governor Joe Lombardo's Education Accountability Act, AB584, which will be heard on **Tuesday, May 20th at 8:00 AM.**

AB584 represents a critical step forward in improving accountability, transparency, and long-term student success in Nevada's education system. This legislation reinforces our shared commitment to measurable outcomes in education funding and ensures tax dollars are making a real difference for students and families across the state.

Key highlights of AB584 include:

- Strengthening oversight of education investments to ensure funds reach classrooms, not bureaucracy
- Enhancing transparency and performance measures for school districts
- Supporting parental involvement and school choice
- Driving long-term academic outcomes with a clear, statewide strategy

I urge you to support this legislation and help build a more accountable, student-centered education system in Nevada.

Thank you for your time and service to our state.

Sincerely,

Peter Guzman
